\*The 4:15? Delta is the 4<sup>th</sup> letter of the Greek alphabet and Omicron is the 15<sup>th</sup>. On a good day, 4:15 is the time we leave school and head to a Delta Omicron meeting!

## President's Message

Dear Delta Omicron Members,

Happy fall, y'all! It's time for football games, sweater wearing, brisk walks, pumpkin everything, the State Fair, and Halloween. The colors of fall are so rich with the oranges, yellows, reds, and purples. I recently put out pumpkins, leaf garland, and different kinds of squashes, so I'm ready for the cooler weather.

I'm thankful that we had a great first in-person meeting. It was wonderful seeing everyone. I had almost forgotten what an in-person meeting feels like. The salad supper was terrific, and the laughter and talking were so fun. Jill Rumbley Beam did a superb job keeping us on the edge of our seats with her funny stories about "Growing Up Rumbley."

For the time being, we will continue to have hybrid meetings. If you want to ZOOM with us, you are always welcome.

Please plan to invite a friend you would like to introduce to Delta Kappa Gamma. If you do not have the Prospect Card I handed out at our September meeting, I have attached a Prospect Card to this newsletter for you to complete with the name of one person you would like me to mail information to about DKG. Our chapter is dependent on YOU to help us grow.

**MEMBER NEWS, PERSONAL**

**Susan Endicott** shared on Sept. 27, “Well, it’s been a busy, few months for me. I have plantar fasciitis in both feet and have been in therapy for three months. My dad turned 89 and has turned over all support of my sister to me, and I’m in the process of driving back and forth to Arkansas to clean up her house, get her moved, and sell the house. I’ve had to go into day surgery today (Sept. 27) for a look-see to why I’m choking when I’m swallowing. We’ve had company for a week, too. Lots of busy, busy! Fun as well as work! Ha! I’m on my way to Arkansas tomorrow.

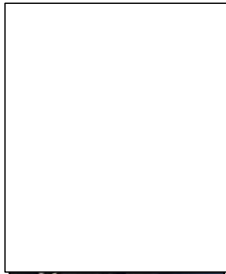

“ I have a planned vacation from Oct. 10 to Oct. 27 and hope to do some hiking in upstate New York with dear friends (Hoping my feet can take it. I’m much better, but my heels are still sensitive when I first get up.) We will end our journey in Indiana for our nephew’s delayed wedding reception, delayed because of Covid last year.

“So, I will miss the Oct. meeting. I hope to see everyone in Nov.”

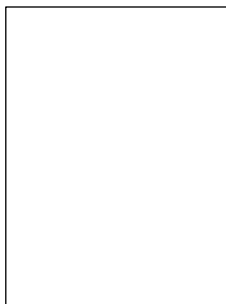

**Barbara Clinton** (left) reports, “My granddaughter was born on . Her big brother will be years old in .”

**Mary Gill** (right) shares, “I’ll be dropping in the Oct. meeting after tutoring and before having to be at a monthly HOA meeting at 6:30. 5:15-5:45 possibly. If we’re doing Zoom again, I’ll probably go home and tune into Zoom instead of attending in person.”

(left) reports, “I plan to attend in Oct. and bring a guest (who may potentially join!). Looking forward to spending time with you ladies!”

**Barbara Harris** (right) shares, “I am not going to attend meetings in person yet. If you will be setting up a Zoom meeting, I would love to be included.”

(left) reports, “My platelet count is normal again after high doses of steroids.”

**Marylin Nease** (right) shares, “I had a good caregiving weekend with my sister in Oklahoma. Highlights: we watched four football games (OU, OSU, Browns, Tampa Bay), toured my sister’s gardens after a crew weeded and mulched, enjoyed time with two nephews and a grandniece, and completed a haircut following my sister’s directions—my 11<sup>th</sup> time to give her monthly haircut.”

**Kay Keeland** (right) reports, “I will not be at the Oct. meeting. I’ll be tutoring. Hope to see everyone in Nov.”

**Dawna Walsh** (left) shares, “I cannot come to the Oct. meeting as I will have out-of-town company in from Monday noon the 18th - Tuesday at 5. They are here so very briefly.”

**Happy October

**OPENING:** Katherine Grogan called the meeting to order at 5:05 p.m. Marilyn Nease, Communications and Publicity Chair, gave **the following inspiration about families.**

**Let's talk about families.** Families come in all kinds—from our Delta Omicron family to our work family to our family by birth or our family by marriage. We *choose* the majority of our families.

I'm going to use the letters f-a-m-i-l-y to talk about what *family* means and to get everyone involved.

Call and response: Give me an "F"! Members: F!

**F is for "fun."** I know you have favorite memories of *fun* times you've had with your family, from big events like birthdays and holidays and vacations to everyday *fun* like hugs and smiles and laughter.

Call and response: Give me an "A"! Members: A!

**A is for "almost."** As in *almost* mad! "My family is driving me crazy. I need a break!" How many times have we felt this way—and needed to step away from our family to regain our sanity. It's possible to get too much of a good thing.

Call and response: Give me an "M"! Members: M!

**M is for "made me."** When it comes to who molded us into who we are today, no influence was stronger than the

parents, grandparents, siblings, aunts, uncles, and cousins who together made us into our adult selves.

Call and response: Give me an "I"! Members: I!

**I is for "I, I, I."** As in / need my mommy. / need my daddy. / need my sisters, brothers, grandparents, or husband. At times, we all say longingly, "I can barely wait to be with my family again!" Yes, absence makes the heart grow fonder.

Call and response: Give me an "L"! Members: L!

**L is for "love."** Family is where we first learn about *love*. We quickly learn that others *love* us and that we can *love* others. No life lesson is more important, and our family teaches us this lesson.

Call and response: Give me a "Y"!

**Y is for "yes."** Yes, we all need families. Whether by choice or by birth, families are central to our lives. Let's all remember to laugh often with our families--and to count to 10 when we need to.

**PROGRAM:** Elenora Asbury, First Vice Co-President for Programs and Projects, introduced

stated that **"Growing up Rumbley" was FUN with F for fascinating, U for unusual, and N for never a dull moment! Her father was a public high school band director and a drummer for the Fort Worth Symphony Orchestra. When was born**, the family lived at Brooks Army Base. Her mother was concerned that she might not get the right baby, as there were eight babies born the same day as . However, Rose-Mary soon realized that there was only one that had the length and blue eyes of the Rumbleys. **Later her brother was born** when the family lived in Alice, Texas. Again, Rose-Mary was concerned that she might not be given the right baby, as six babies were born on the same day as . However, all the other babies were Hispanic, so Rose-Mary relaxed. remembers a turquoise station wagon and going for rides on Rose-Mary's bicycle. She also **mentioned being promised a dip cone if she and could sit still during the movie *Giant*. They were rewarded.**

**attended Umphrey Lee Elementary in Oak Cliff. Rose-Mary was very involved with the school, being PTA president for seven years. She put on plays at the school to raise money. She also became a Girl Scout leader** when decided she wanted to be a Girl Scout. At the end of the school year, the girls went camping, but they first **had to build a latrine**. After scout camping days were over, the latrine sat on the Rumbleys' front porch for years! Also, **became a Boy Scout**. When the children became old enough for sex education, Rose-Mary told them, "Remember, don't ever disgrace the Rumbley name!"

**attended Carter High School and became a majorette while her dad was the band director there. By then, Rose-Mary was teaching drama at Dallas Baptist University. decided to attend Dallas Baptist after she finished high school.** Of course, had an opportunity to participate in plays while there. **Rose-Mary also presented the Laurel Land Easter Pageant.** At the last moment, she was told that one of the children playing a disciple was ill and could not participate, so she substituted . However, the ill child showed up anyway, so then there were thirteen disciples at the Last Supper!

**married her husband . She plays the flute in Mesquite as well as works for Dallas Parks as their events and reservations director. She also worked as an activities director for senior citizens** when her family lived in Colorado. **entered the Senior Mrs. America Pageant** from 2013 to 2015 and went to Atlantic City for the national competition in 2015. She won the Ms. Congeniality Award. She says the **Rumbley motto is to live each day for itself, as life has no remote!**

The members enjoyed talk every bit as much as they have enjoyed her mother's humorous talks in the past.

**BUSINESS: 1).** Katherine announced that the **May minutes had already been signed and approved as printed in the newsletter.**

**2).** Leesa Cole, Treasurer, gave the treasurer's report. **Income** was from 61 of 64 members who have paid their dues; one honorary member doesn't pay.

were dropped from 2021-22 membership when they decided not to rejoin.  
was dropped due to her death in March 2021.

Besides dues, the only other income during June through August was the Area 9 chapters' donations for the State President's reception.

**Expenses** during June through August include dues to International, dues and fees to TSO, president's reimbursement for member correspondence, attendance at Denton TSO Convention, and attendance at San Antonio International Conference. A set stipend of \$250 for attending the TSO Convention was split among the members who attended. The corresponding secretary was reimbursed for her newsletter mailings to non-email using members during January through May. The final expense during this period was Area 9 reimbursements for the State President's reception. The final amount of money left after the reception expenses were paid was given to ASTEF Leadership in honor of Patti Belknap, the State President. The amount was \$29.09.

The August balance closes out all income and expenses for 2020-21 and begins the budget for 2021-22. The Form 15 annual treasurer's report has been filed with TSO Headquarters. The 990n e-Postcard annual filing has been submitted to the IRS.

**Anticipated income for September** is dues from unpaid members or new members. **Anticipated expenses for September** include dues to TSO and International, chapter donation to the Cora McFarland Scholarship Fund, chapter fee to CCDC, President reimbursement for her Zoom account, Membership Vice President reimbursement for new member name badges, and a check order.

The Finance Committee met September 5, 2021, to form the proposed budget. Leesa Cole, Marta Finlay, and Katherine Grogan attended in person, and Mary Gill attended via Zoom. Committee members Sherri Allinder and Julie Turnbow were unable to attend. **Chapter members received a copy of the proposed budget via email from Katherine Grogan prior to the September meeting.** The proposed budget was discussed. Leesa Cole explained that estimated expenses in the budget exceed dues income, but the budget includes a balance forward from the previous year. It is rare that the chapter expends all estimated expenses. **A basket was passed around the meeting room to pay for the speaker honorariums. \$199 was raised for the speaker honorariums.** Some of the money may be used for door prizes at meetings. **Members voted to approve the budget as written.**

**3). Margaret Thompson, 2<sup>nd</sup> Vice President for Membership,** thanked members for their help in recruiting new members and **passed out prospect cards to all members. She reminded members to bring a friend to the chapter meeting in October.**

**COMMUNITY SERVICE PROJECT:** Kay Keeland, Community Service Projects chair, **presented information on West Dallas Community School,** one of the schools being considered for our project for the coming year. This school is a **private Christian school where 100% of the students are on scholarship and 81% go to college. The school has a preschool for 4-year-olds and goes through 8<sup>th</sup> grade.** The teachers teach to the whole child, and both the students and the parents are highly motivated. There are 250 students in the school. The members watched a short video on the school. Kay suggested that ideas members could do include tote bags for the teachers and lunch for the teachers. The school mentioned that they could use help with copying or volunteering in the library.

**Kay asked members for other possible choices of schools to help. The two schools mentioned were Jack Lowe Elementary in Vickery Meadow and Lee McShan Elementary, both schools in Dallas ISD.** Both schools have students speaking many different languages. **Several members stated that Jack Lowe Elementary is currently well supported by several churches and may not need any additional help.** Lee McShan Elementary has PK and K-5<sup>th</sup> grade. Becky Quigley volunteered to **research what Lee McShan might need and report back at the Oct. meeting. Members decided to vote on the project for the year after hearing Becky's report Oct. 18.**

**ANNOUNCEMENTS:** Marylin Nease, Communications and Publicity Chair, **shared several concerns about members.** has been diagnosed with ITP, a blood disorder involving a very low platelet count. She is on some strong medications. Catherine Donahue regretted that she could not attend the meeting, as she would be entertaining her out-of-state nephew. Also, Jamie Callahan could not attend because of a school project, but as a hostess, she dropped off water for the meeting. is very busy helping a friend who has a broken pelvis and wrist.

**NEW BUSINESS:** Katherine announced that **Mary Louise Milliorn has requested to become a reserve member.** She is not physically able to attend meetings regularly.
